EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the Claims:

28. (Currently amended) The modular comfort assembly of claim 32 2, wherein said lumbar support system includes internal baffles.

29. (Currently amended) The modular comfort assembly of claim 32 2, further including an air pump connected to an air inlet of said lumbar support system to allow for inflation and deflation of said lumbar support system.

The following is an examiner's statement of reasons for allowance: The White et al patent (U.S. Patent No. 6,869,140 B2) teaches a diffuser bag but unlike the present invention, White et al teaches a diffuser bag with an air-permeable top layer whereas the present invention teaches a top layer with an air-impermeable top layer.

Remarks

In the Amendment filed November 13, 2006, new Claims 28-29 depended from Claim 32. There is nor Claim 32 nor is there a Claim 3. It appears those claims should have depended from Claim 2. Claims 28-29 have been amended so that they depend from Claim 2.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Rodney B. White whose telephone number is (571) 272-6863. The examiner can normally be reached on Monday-Friday.
